Dear Ms. Hart:

This letter serves to follow up your previous request of obtaining copies of any telephone logs or other communications between RST and Bauer for President 2000, Inc. ("Committee").

Glen Thomas, Vice President of RST, has advised me that America Direct, a direct mail agency that is located in the same building as RST, initially contacted RST about performing this job. Although RST billed the Committee directly for the work that it performed, RST continued to communicate directly with America Direct about the Committee's account, including any concerns it had concerning payment for services rendered.

Mr. Thomas has indicated that he would periodically communicate with the principals at America Direct about the Committee's account. Mr. Thomas is unaware of whether America Direct has any correspondence with the Committee concerning any concerns he might have raised with them.

I hope this helps clarify our earlier affidavit.

Please do not hesitate to contact me if you have any questions.

Very truly yours,

F. Patrick Yeatts
